

## Terminal 5, Heathrow

Working on one of the largest construction sites in Europe, Elliott Thomas is providing a full logistics package to principal contractor Balfour Beatty for work on the Track Transit System (TTS) at the new terminal. The work involves:

- **Waste Management** – provision of operatives to co-ordinate and manage the safe cleaning and removal of trade debris, off-cuts and hazardous materials to dedicated areas.
- **Materials Handling and Distribution** – distribution of materials from off load areas to work areas via hoists and fork lifts
- **Fire Safety** – provision of fire marshals to co-ordinate fire points, signage and emergency procedures/drills
- **Welfare Management** – management and co-ordination of operating a safe and clean environment in welfare area

**Client:** BAA

---

**Principal Contractor:** Balfour Beatty

---

**Contract Value:** Rolling Contract

---

**Contract Duration:** Rolling Contract
