

# CONSTRUCTION CASE STUDY

## British Airways, Fleet 1 Relocation

Elliott Thomas provided full strip out and refurbishment services for the British Airways, Fleet 1 relocation programme at Heathrow Airport. Originally the maintenance hangars for Concorde, Elliott Thomas undertook a project to renovate the hangars' communal areas following the grounding of the Concorde fleet.

Work included the full strip out of existing communal areas, creation of new mezzanine floors, addition of partitions and the fit out of new toilet and kitchen facilities.

As part of the project, Elliott Thomas also provided logistics services for the relocation of maintenance plant and equipment.

**Client:** British Airways

**Principal Contractor:** Mace

**Contract Value:** £410,000

**Contract Duration:** 20 weeks
