

# LOGISTICS CASE STUDY

## Oxford Castle

Elliott Thomas is providing logistics management and support on the site of the new Oxford Castle development in the heart of Oxford City Centre. The project valued at £24.5 million, involves the conversion of the former castle and prison into a hotel, restaurant, shopping and heritage complex with market stalls and open courtyards for performances, and new residential buildings.

Elliott Thomas will be providing specialist logistics services from commencement of the project through to the final handover and will involve site security and access control, fire safety and marshalling, traffic management, waste management and the provision of multi service teams.

**Client:** GDG Management

**Contract Value:** £1.1 million

**Contract Duration:** 60 weeks
